

Members of Asociace profesionálních klubů ledního hokeje met at an extraordinary general meeting of APK LH on 10. 01. 2017.

- Extra league clubs met at the extraordinary General Meeting held on January 10, 2017 in Olomouc. The main program was the fulfillment of the Memorandum enclosed in 2016 between ČSLH and APK. The negotiations resulted into tasks for the Board of directors, who will analyse the circuit areas required for ELH functioning of the season 2018/2019. They will finish it until the end of February 2017. Subsequently, by the reaction of the clubs will be continued with the negotiations with ČSLH.
- Another topic to discuss was the request of HC Verva Litvínov for discussion of some issues connected to the appeal of the club to VV ČSLH about the situation report and the ensuing licencing procedure and punishment, which was assigned. The General Meeting noticed the information.
- Director of extraliga informed the clubs about Optima and Sportradar system. Lottery system Optima will be submitted for presentation to the clubs.
- The clubs were also discussing the form of youth competitions and the reaction effect on the competition in the matter of the documents prepared by extraliga clubs representatives, which were presented at the last General Meeting.
